

## REACH FOR THE SUMMIT VIRTUAL ADVENTURE

Create high performance  
teams in a rapidly changing  
world

### ABOUT **OUR EVENT**

At the event, you will have the opportunity to experience the power of a Virtual Adventure firsthand. We will transport you via video to one of the most magnificent mountain ranges in the world and embed you in an expert mountain climbing team. You will be invited to participate in problem-solving and decision-making activities that happen on a multi-day mountaineering expedition, and your decisions will have immediate consequences!

### WHAT YOU WILL **EXPERIENCE**

- Experience an exciting virtual adventure with modern-day learning methods.
- Opportunity to reflect on and connect mountaineering to relevant issues that business leaders face.
- Making decisions with incomplete data in a constantly changing landscape
- Experience conditions that today's business leaders readily recognize and identify with.
